AIR CONDITIONING MAINTENANCE AND SERVICE

AIR CONDITIONING, VENTILATION & EXTRACT SUPPLY AND INSTALL

PLUMBING SERVICES

KPM is a local established, professional/friendly mechanical company, based at
The Hub,
Gadbrook Park, Cheshire.

We specialise in the design, supply and installation of air conditioning, ventilation/extract and heating/plumbing works, to the commercial and domestic sector.

We also offer an air conditioning service and maintenance facility, providing everything from call-outs to full maintenance contracts.

Should you require any of the above services, please contact us on 01606 784686 or email reception@kingfisherpm.net

Or alternatively, specifically for air conditioning maintenance and service, Chris Moore on 01606 532700, mobile 07851216919 or email chris.moore@kingfisherpm.net

Energy Assessment TM44 Survey's, in line with government statutory requirements, can be offered, please contact us for further information or explanation.

We are happy to undertake any sized job and offer a no obligation free estimate for new installations or modification to existing.

Accredited Installer
